CENTRAL INTELLIGENCE GROUP

- 2 -

Components: 1st, 2nd, 3rd, 4th, 5th battalions and a special plain clothes company.

Special Plain Clothes Company

Strength: One hundred officers and NCO's.

Function: To protect members of the government in Warsaw and to accompany them on tours.

Most government officials resent this protection but the Ministry assigns guards to them nonetheless.

An average of ten or eleven guards from this company are assigned regularly to President Bierut, twelve to Prime Minister Osobka-Morawski, twelve to Vice Premier Gomolka, nine to Minister of Industry Hilary Minc, one or two to Marshal Rola-Lymierski, who has openly protested this vigilance, and four or five to Minister Mikolajczyk.
